## Criteria for RCT Performance Squads

### Performance One

All Squad criteria targets to be achieved by the end of the 2015/16 season.

Four key expectations for Performance Squads:

#### **1. Performance**

Meeting the performance criteria set for each squad. This includes personal best times, skill requirements and training set performance. To be reviewed throughout the season.

#### **2. Attendance**

Members of Performance 1 **MUST** attend a minimum of 7 sessions per week. Any squad member consistently failing to reach this requirement **WILL** be moved to a more appropriate squad.

#### **3. Attitude**

All squad members should exhibit a positive and professional attitude towards training (both pool and land) and competitions. Negative attitudes will not be tolerated as every session has a benefit to the swimmer and is equally valuable. Punctuality is important so that the land warm-up can be performed before every session.

#### **4. Competitions**

Every squad member should enter the competitions outlined by their coach. These will be selected to help maximise each swimmer's performance and will target major meets. Swimmers who fail to consistently compete will be moved to a more appropriate squad.

Please note all team and squad selections are the decision of the Head Coach.
